MAKE8ELIEVE is usually an online magazine, born of a collaboration between two artists, Michelle Marie Murphy (Chicago, Illinois) and Baptiste Lefebvre (Cetusss) (Geneva, Switzerland). With MAKE8ELIEVE, we'd like to build international connections by publishing creative interpretations of one topic per issue. We believe we can organize an intelligent, challenging, and well designed magazine with contemporary and unusual topics.

MAKE8ELIEVE est un magazine principalement en ligne, résultat d'une collaboration entre deux artistes, Michelle Marie Murphy vivant à Chicago dans l'Illinois et Baptiste Lefebvre (Cetusss) vivant à Genève en Suisse. Avec MAKE8ELIEVE, nous désirons construire et étendre des connexions internationales à partir d'interprétations d'un sujet différent et atypique à chaque numéro. Nous désirons créer de beaux objets virtuels, un magazine intelligent et stimulant aux sujets contemporains et inhabituels.
